(Fred Swann plays Larry King, *Fanfares to the Tongues of Fire*; M. Searle Wright, *Lyric Rhapsody*; Robert Hebble, *Haec dies resurgam*.)

In the summer of 2006 the living organists of The Riverside Church in New York City were all recorded live playing the Tuesday night organ recitals, and assembled onto this historic 2-CD set. Complete with 32-page booklet, written notes on each composition, biographies of each organist and numerous photographs. All of the repertoire was commissioned for the Riverside organ and musicians with strong ties to the church.
